time	from	to		Notes
			How to get that sorted ASAP. Get the plans to Lucas to make sure he understands them. Hardening - not sure if based showed up- safety issues w paints cars no lights - need lights - safety.	
once	Robert	E1	20 based cancelled we only have 5 on stand by.	
	E1C		Did alot of work w Legal/ crown - will get that to you for verbage - deal with / interdict / arrest.	
	E1C		second option - transport to sleepers. Come up no one around - knock announce then crash doors - go in clear if door locked no answer - breach and clear - anyone inside arrest. if you knock someone inside - case - bing keeney - driver seat officer safety they need to make judgement	

2 of 5

time	from	to		Note
			that needs to be clearly articulated – put on paper and given to the troops	
0714	E/C	OPP Francis	Met w planning – had to work on over arching Plans.	
0716	E/C	thompson	need to get Lucas to look @ plans and understand them.	
	thompson	E/C	got a hold of Howse and got 2 QRT teams to support POU w soft hats.	
0718	Francis	E/C	Khalid (OPP) is your traffic point of contact	
0719	Flanagan	E/C	POU 5 mins out.	
0719	Cairns	E/C	head base station – was requested to Palmer ~~for~~ rescue crew stuck in storm will only get here around 1330 hrs – OK if coming w cruiser.	
0720	Untell	E/C	section 10 – latitude for safety zone.	
	E/C	Flanagan Clement	who is command for Tac Clement	
	E/C	Cairns tact	piece tightened up seamless PLT / POU / tact Dan	

3 of 8 (SP)

time	from	to		Notes
			Hot/traffic support/ soft hats support - Leads on ground needs to talk to each other to support each other and the operation each veh treated individually. We don't want communication to break down - need everyone switched on.	
0725	Clement	E/C	Semi on horn - sitting on drivers seat ?	
0725	E/C	Clement	Offices have discretion - if eminent threat they have the authority to make the call - officer safety paramount	
0726	E/C	Lucas	I realize you don't have the plans - need you to have your site commands to be master puppeteers here - explained plan verbally (PLT/ POI/ tact/ Hot teams/ tow + soft stats). Comand/control was not captured on plan last night but working on	

4 of 5 pg

time	from	to		Notes
			that now. POU on ESI - tact on tact disp (isolated incident) traffic on traffic 1 + special 3 and coordinating tow/ back safety.	
0730	E/C	Cairns	make sure comm on how many they need and lucas will make sure he sends you enough officers.	
0731	E/C	Lucas	You are looking after the rest of what is not being dealt w by POU.	
0731	E/C	Lucas	Brdcast concept of Operation on yar chanel so we are all on the same page and all know what the plan is.	
0732	E/C	Media	what is messaging going out?	
	Media	E/C	we already have it - similar to what we put out already will print it for you. ie "you need to leave" and changes	
0733	E/C	Med	Messaging to membership?	
0733	Media	E/C	will type that up now	
0734	Media	E/C	POU live tweeting 10 mins behind operations.	

time	from	to		Notes
	E/C		round table – need to ~~keep~~ keep spc 3 informed - stay calm.	
	POU		good to go	
	PLT		good to go - bussed	
	POU	PLT	[redacted] for demonstration	
	Intell		will get line of sight on [redacted]	
	Inroot		Good to go – [redacted] not arrested yet.	
	Cairns	E/C	Lacking resources - toronto will be here @ 13:30. tow trucks will not move until one in front one in back (cruiser) – working that. also confusion on security @ compound.	
	Palme	Cairns	there is security @ compound.	
0738	POU		staged ready to go.	
0739	E/C	thompson	will be critical to update execs and be liaison - will be critical	
0741	E/C	room	pause to make sure good communications w all POU teams. before we launch	
0742	POU	E/C	people voluntarily arresting themselves	
0742	Intell	E/C	teams (arrest) already staged	

Loop 8 (8)

94

time	from	to		Notes
0744	E/C	Robin adW	send Lucas all the plans	
0746	Palmer	E/C	setting base station for Cairns.	
0746	E/C	Cairns	Waterloo briefing then heading to the two sites for security.	
0747	tact	POU/EC	transport moving @ NB Nicholas coming off 417 - tactical pinned veh - driver coming at. driver at med POU team.	
0748	POU	tact	sending Hot team over for arrest.	
0748	tact	POU	driver under arrest.	
0750	E/C		keys go to Hot teams.	
0750	POU		arrests → 10-92 processing site @ transit Way east of Walter	
0751	E/C	thompson	get radio contact to Hot teams	
0752	POU	E/C	told Jamie Hot teams to be on ESU1. they are here now.	
0753	Spanger		Voluntary arrest will overwhelm us - walk them away a possibility? will need to have directed operation	
0755	POU	E/C	PLT there trying to communicate/ negotiate they just leave.	
0756	PLT	E/C	one driving out - 5 arrested	
0756	Media	E/C	tweet going out initial operational tweet.	

time	from	to		Notes
0850	E/C	talmie	Special 3 monitored - POU channel to be recorded?	
0851	talmie	E/C	POU channel is being recorded. (ESU 1)	
0853	demart	E/C	2 Passanger vehs – refusing to leget out - Ridcau/ Sussex. -CIC engaged on this incident.	
0854	POU	E/C	Wen$ do you want PLt to engage Ridcau/ Sussex?	
0854	E/C	POU	Hold this - Nicholas/ Walker may take a while and we will want a reset before hitting Ridcau/Sussex.	
0855	POU	Cairns	Send tows to staging area. (Laurier/ transit Way)	
	fact		one of the 2 pass. trucks has left the other one they (fact) breached and is arrested.	
0857	Cairns	E/C	tows won't roll unless Fwi escort 30PS / 2 OPP able to escort 2 tow trucks	
0911	POU	E/C	17 vehs last count @ Nicholas/ Walker/ Laurier	
	fact	POU	have your troops slow down	
8of8		POU	all POU teams slow down work to fact	

time	from	to		Notes
0814	tact	E/C	so far pick up breach and transport breach. no barricaded yet.	
0816	POU	EC	William w/ of Rideau car jacked snow plow by protesters (unconfirmed). side walk plow	
0816	E/C	Thompson	get a hold of Command Ctr Brdcst Sp-3 + Central.	
0817	POU	E/C	Rideau east of William off in victim	
0818	E/C	POU	considering scene secured? all vehs checked?	
0818	POU	E/C	yes just got done last one.	
0818	tact	E/C	3 10-72 out of the RV's Media in the area	
0819	Media	tact	they can be asked to leave and attend the staging area	
0820	Media	E/C	review of internal messaging.	
0823	E/C	POU/Thompson	Don't send patrol for the snow plow @ this time - we will be hitting this area next and can deal w it then - specially that info is that the plow still there.	
	thompson	E/C	Central standing down for plow but will go speak to victim.	
0824	E/C	Lochine	confirm good structure - Hot team on ESU.	

9 of 59

time	from	to		Notes
0825	E/C	Media	Internal messaging approved.	
0826	Thompson	E/C	Something going on Wellington building something? reaction? Will liaise w Lucas to find out more.	
0826	Lochine	E/C	Hot teams confirmed on F&U I.	
0827	E/C	Thompson	Looks like shoveling? on Wellington	
0828	Thompson	POU	confirming Central going to be victim but not going for plow.	case # 22-41970
0829	E/C	Thompson	Get confirmation of hardening piece w OPP - sit rep (thought Lucas) for situational awareness.	
0830	Uttell	E/C	[REDACTED] relocated but still on Eastview side.	
0834	POU	Thompson	Sit. Awareness - Yellow jeep near the plow - might be [redacted] talking to suspect.	
0835	Moore	E/C	one OPS Tact member w RCMP Tact and one w OPP Tact for Communication	
0837	E/C	POU Tact Practice	Hold this place until we see what happens w taws.	
0838	——		Sit. Rep.	
10:08	POU		Post all @ strategic location	

time	from	to		Notes
			text update of what done today	
			1st operation sigh trying to leave.	
			hands on 2 pick-ups he needed breach	
			breached the rig	
			BV was a knock-arrested 3.	
			veh tried to get around traffic point to secure area - dealing w that	
	PLT		PLT - stood @ city Hall.	
	Intell		intell - [REDACTED] named [REDACTED] 5 at their @ GAT have eyes on them.	
	Arrest		Aine Hot teams - issues w processing Ctr. I.t. working on it.	
	traffic		traffic - Road closure in place town evacuate - not stood up anything yet.	
	Media		Media - staging in area needed at: Leave area or you may face charges Large police presence in area and affected multiple arrests -	

Ucpsg

time	from	to		Note
	POU	E/C	Rideau/Sussex has been hostile so suggesting no Plt engagement just LBAD and POU.	
	Plt	POU	don't mind utilizing Plt there as long as POU is there. Plt could use LBAD from the outside just as ready to launch	
	POU		LBAD to give pre-recorded just before launching? Could do that.	
	E/C		Good testing to see how that works before move to other areas. But if not tactilly sound of safe for officers don't do it.	
0858	Cairns	POU	38 taxis en route now	
0900	tact	E/C	sniper veh (Rental) stolen from Dalhousie) Rideau (parked it there around 3AM) no equipment inside (2021 Yukon)	
0906	POU	E/C	site is clear just waiting for taxis.	
0907	E/C	POU	figure out how many resources you need now that area link w Lucas to advise Dan	

time	from	to		Notes
			him how many he needs to get ready.	
0908	POU	E/C	thinging 2 ORT's.	
0908	Brad Beale	E/C	presenting chart (operational / tactical command and control) and Decision tree. → some clarifications to make. as per E/C.	
0913	E/C	Planning Brad	Rejig w 3 command / 3 scribes and who is around the table.	
0915	tact	E/C	sniper Rental was not stolen just forgot where parked it.	
0922	E/C	Media	Messaging for what officers are to do @ the points is not clear to some officers. - Can you link w thompson / Lucas to clarify.	
0924	E/C	Planing	make sure on chart that under tact → wording that each truck is treated individually.	
0926	POU	thompso	app officers w plow but still not w victim.	
0926	E/C	Cairns	Kane is in charge of tows.	
0927	Springer	Cairns	We need dedicated patrol for tows.	
	E/C	NCBCC	Brantski - checking in to make sure all in order on their end. number of bodies.	

13 of 59 88

Time	From	to		Notes
0930	POU	Thompson	officers left - left plow behind - all in order.	
0931	E/C	Thompson	will have to figure out OPP to do core hardning on their channel and the OPP commander @ NCROC to manage. (as OPS channel overloaded)	
	Brad	E/C	made changes to chart.	
0933	E/C		approved chart. (operational/tactical operation comand/control).	
0934	E/C	Roamer	to push out instructions/authorities to officers @ check point.	
0937	Tact	E/C	concerns about doing 24/7 operations - can have 5 guys on call so can get team rested up.	
0939			Sit rep:	
	Tact.		• Leap Frogged - no further arrests. 3 teams for day	
	POU		• plow misunderstanding - bumped into one of them was surrounded driver took keys and left area.	
			• toronto drone up	
			• waiting for tows	
	PLT		potential plan for Rideau/Sussex to LRAD.	
			waiting on direction to have PLT reacting out to other sections over Rideau is done	

time	from	to		Note
	Intell		Chartrand on FB jumped on FB to come help to dismantle before 1600 hrs.	
	Invest.		Confirm processing is being done - System for keys.	
	E/C	Invest	for sit reps - have #'s of processed / arrests / ect.	
	traffic		• tows en route - lots of traffic to get there.	
			• status Qua @ scene right now.	
			• OC transpo busses took over some traffic points to free up officers.	
			• issues w structures impeding vehs to be towed - being addressed.	
	POU		we real threat pass put POU back in convoy to warm up. Have soft hats move in to secure	
	thompson	POU	have a few ART's to deploy to work on POU to that. not too much reaction from other areas. working on setting City out to remove debris	

942

time	from	to		Notes
	Media		just issued messaging to Media to leave area of police operations or they could be arrested as well.	
	Springer		Link w PLT so consistent messaging	
	Media		messaging is ready to go for towing when that gets underway.	
0953	Mutdar	E/C	wanting to be included in sit rep emails	
0954	E/C	Drumond	check w DIC Ferguson for SQ.	
1000	E/C	Brad	Yeh - when dealt w individuals needs to come under tactical.	
1002	Brad	EC	update ~~the~~ (1) lawful authorities to seize plates/licences/C/OPs	
1002	E/C	Brad	speak to Crime Unit re Hodgins	
1003	E/C	Palmer	Want OPP to bring own radio and manage their channel	
1004	Media		updates (towed/arrested/cleared & location) preparing template	
1004	E/C	Media	want our people to learn it first	
1005	Palmer	E/C	OPP saying their radios are not secured - need repeaters in vehs	
	E/C	Palmer	need to come up w solution they need to be their own detachment	

Keel Sq (882)

time	from	to		Notes
1007	E/C	Palmer	OPS & we open another channel - if its an overload of channel but have another enough OPS radios → To issue ops or extra patch to OPS channel. Monitored by peace ops back to Tolmie - doesn't have to be manned - patched in OPS on extra channel.	
1010	POL	E/S	soft lots have site of Laurier • POL teams warming up. soft lot managing scene waiting towing arrival. • 24-30 riss / 20 vehs @ Ridout / Dessser	
1012	ontell	E/C	REDACTED instructing caventry to go jak knife on Riverside	
	E/C	Springer	potential (discussion) of shutting down Coventry but would utilize some POL ressources.	
	Springer	E/C	I think we concentrate on target areas and if Coventry becomes a real problem will address then. We will go clean it up after. (isolate / tow if we have to) E/C Agree	

17 of 89

time	from	to		Code
1015	POI	E/C	Fron Hot team Stewart / Walker ready to move to Ridan / Sussex when needed.	
1019	Cairns	E/C	at least 3 tows leaving scene and heading to convoy.	
	E/C	Lochine	team w tows as to what vehs were where and what plates - arrest out of veh M. ~~(BG)~~. one being taken ~~(BG)~~ - ~~three~~ tow took this veh to this location	
	Lochine	E/C	Hot team would take this	
	E/C	Lochine	Hot team already staged at next location and tows are ready to leave w trucks	
1026	Unknown		HOT teams not getting close to vehs. They are taking info of vehs and handing it to traffic officers	
1028	E/C	Unknown	- assign HOT to traffic to record vehs / tow details - close the loop. what veh towed by who.	
1030	E/C	Thompson	Line up w Lochine and figure it ~~(BG)~~ out - we need to lock this down asap. tows about to leave.	

18 of 69 (BG)

9/4

time	from	to		Notes
1031	E/C	room	we have to sort something at Br twrs - have documenting process to ~~do~~ go fwd is this	
1035	Lue	E/C	will start edging twds LBAD/Plt now.	
1037			SIT REP: (#3).	
	POL		down in vehs - ready to move on operation @ 1st phase went well ready to use LBAD and start messaging.	
	~~ACT~~		teams ready to go will bring all 3 teams out as bigger phase then 1st one.	
	PLT		second action staged readdy to go - will make sure messaging through LBAD and can't can't want to leave Can come get veh later.	
	Untell		[redacted]	
	Unv,		1) figuring out two forms 2) Hot team chaos - exiting to want to be arrested. - were not in position - close enough	

19 of 58 (88)

time	from	to		Note
			from multiple spots -> something to consider for next phase - funnel - try to get plate associated to person.	
	POU	Intell	push everyone north to Sussex process zone east on Bidean	
	E/C	POU	When get pushed down to Bidean - funnel to be funnel to one opening to Hot team?	
	POU	EC	being pushed out zone - funneled to Bidean	
	Intell	E/C	Hot teams have moved closer to be able to get plate to person info.	
	Lucchini		5 arrest overnight 3 showcases 2 released this morning 2 to cells -> one processed the other still being investigated	
	traffic		tows o/s hitched up - first 4 en route to convoy.	
	thompson		secure zone - 1st arrest of someone trying to get through GRT escorting tows now, so not as many for footprint her	
	Media		messaging in PLT "that you must leave" every hour	

time	from	to		Notes
	E/C	Unified	Instruction cards for tows instruction being given?	
	Lachine traffic	E/C	Yes they are being given. Don't want any info on convoy transmitted on Air (OPP radios)	
	Centell		Rideau/Sussex male helped disable snow plow - just pushed more snow and move the plow for situational awarness - may have keys or mechanic that can move it - has been put back where it was. - and of sit rep	1052
1052	E/C	Pod/Plt	PLT/POL to announce when good to go - LRAD first then move to Rideau/Sussex.	
1053	Thompson	E/C	through Lachine - they have someone o/s to document info before tows leave for convoy.	
1054	E/C		review/final approval of operational/tactical command and control chart.	
1104	POL		bouncy castle in Kids playing up on Wellington.	
1104	E/C	Springer	Want OPP to just be on their own radios but don't have any so will give them OPS and patch on seperate channel	

time	from	to		Notes
1105	Lochine	E/C	Hot teams will go int and get tow info. SOCO will take photo	
1108	Thompson	E/C	everyday will dedicate QRT's to tow detail (16-20).	
1110	E/C	Palmer	tasking for sign in sheet for the room. (name/service/position).	
1112	Palmer	E/C	Paula will work on that.	
1112	POU		Rideau/Sussex operation Launched approaching area.	
1121	E/C	Thompson	recommend get/ cruisers out of area west of target #2 Risk of Damage	
1122	Thompson		Broadcasting to stay away from area.	
1122	Thompson		cruiser Leaving area.	
1123	traffic	E/C	brake and mechanical issues to get vehs towed out of phase one.	
1124	Springer	E/	Some clean up @ Sussex/Rideau May even be some throw aways.	
1124	POU	E/C	Paramedics Rideau/Dalhousie (staged embedded in POU operation)	
1125	Klein	E/C	(Internal messaging #1 of the day approved.	
1127	traffic		tractor/2 trailers an SUV towed	
1127	POU	E/C	passing W/B.	
1130	traffic		tractor and trailer, camper and utility trailer towed	

22 of 89

gm

time	from	to		Notes
1131		E/C	Plt already done their communication	
1134	Fraser	E/C	ask for big screen to have CTBC feed in the room	
1137	Thompson	E/C	3 arrests @ check points so far	
1139	E/C	Palma	need to close control the door to CP - people in here are allowed only - spectators coming in and need to control that.	
1139	Clement	E/C	Blk truck in front of CTBC (Rigolan Service) Blacked out their window may be gearing up for something few males inside - yellow semi infront of it - fact says aware and will go deal w it those 2 vehs + yellow Ironco linked to [REDACTED].	
1145	POU	E/C	Male ontop of fairmont Hotel - not police tactical.	
1148	DOU	E/C	Colored by south end coming up to DOU → 3 trucks idling - if go mobile could plow right into our POU members - no barricades there	
1148	Clement	POU	will get Bearcat up to block them	

23 Aug 59 88

time	from	to		Notes
1149	POU	tact	OPP tactical - we are in position to block these 3 trucks.	
1152	traffic	E/C	5 vehs left to clear phase #1	
1152	POU		top of Fairmont clear.	
1154	Lachine	E/C	directing us to take CVORS fine we will do it but issue is we own trucks - in 2 months we will have towing nightmare City called - directed to come clean up - anything of value will Leave @ trail Rd and will figure it out.	
	E/C		Deployed Horses not factored in presentation - Level of use of Force. (not in decision Matrix)	
	POU toronto (Carvalho)	E/C	there as demonstrated ability they are behind - won't be called until crowd dictates it - commander on ground - Horses seen at both low and high Levels - right now low ~~Level~~ comes in toronto POU package of deployment.	E/C Directed TPS to request an Approval for use of mounted To unified command
	Springer	E/C	this should have been a discussion we had earlier as to what POU bring by service	

time	from	to		Notes
1159	Media	E/C	protesters putting children in front of police operations for protections ask was done quickly and you deployed is all of your assests - have to adapt on the fly.	E/C - A: Kent media T: Tweet this out the protection police are using children in harms way
	E/C			
1200	toronto Crime PCU	E/C	Mounted will go if crowds go uncontrolled - but you will be advised of higher level before we engage.	
1202	Media	E/C	children will be taken to place of safety add to messaging	
1203	E/C	Springer	is there a Plt role to deal with kids.	
1203	Walker	Springer	not yet.	
1204	bct	E/C	3 trucks - assests o/s if they go mobile / cause problem.	
1207	POU	Unrest	Hot teams - photo not being taking and info not being taken down.	
1208				
1212	E/C	Drumond	Advise chief to stop calling and asking for info - will be given info when we can	
1213	traffic	E/C	[REDACTED] wants to shut down convoy - knows where we are taking the trucks	
2SLGBTQ+				

time			
1214	Plt	E/C	[REDACTED] call North West region and want to get his trucks out of Conroy was given # to Crime Control.
1215	POU	E/C	Suggestion: overwhelmed w arrest push and hold. (push crowd that is coming down).
1217	tact	E/C	Black truck / yellow transport / yellow Bronco all checked now checking red truck parked there close by. Red truck cooperative.
1220	POU	E/C	App kids were last seen walking away to parents
1000	E/C		Chief wants members - we will dissiminate info we can - we do not want to compromise this operation.
1226	E/C	Thompson	De conflict w NCRCC - any requests goes throug you for anyone in this room.
1230	traffic	E/C	if veh can be driven - can officer drive it from Pinehurst to Conroy?
1230	E/C	traffic	yes it will expidite things
1232	POU	E/C	one injured officer OPS ~~McConahie~~ McConnahie (being looked at by EMS)
1233	PLT	E/C	Influencer going to Rita/Sussex to get people to leave

Revised 8/5

time	from	to	
1234	PLT	E/C	walking up to PLT w male that has been found outside Bidan or wanting to cross the line has been associated to the group @ Bidan/Sussex.
1236	Invest.		REDACTED in custody.
1239	E/C	Boylan	can you get info on what is going on @ Coventry
1240	tact.		can we clear 2 campers on Sussex. → people in them. its a pause heading that way will clear every POI are there - holding pattern as backed up in arrests - when we continue will push north on Sussex.
1241	POL		processing going as plan - amended conditions - mobilizing more transport but that is not the issue. too fluid for #'s male id'd male wanted to speak to PLT - supplying food/fuel for last week - wanted to escalate group Bidan/Sussex not providing last name or phone #
	conv.		
	PLT		

Sit Rep #1

2 of 9

Time	From	To		Notes
			could be one of their leaders too - we can't confirm	
	Uxbell	ELC	have eyes on Daventry - business as usual and will maintain eyes there.	
	Nact	ELC	dealt w 5/6 trucks are bleach or Yellow transport. 2 kids - north on Sussex. are the only ones identified no other kids so far.	
	traffic		Nicholas almost cleared farm tractor + utility trailer left to clear - are heavy wrecker + light utility truck broke down → repairs	en route
	Media		put out messaging about children seems they have dispersed.	
	Hampson		core hardening continuing up to 4 arrests there so far trying to barricade/hardened a tent - will slow us down later on in the operation.	
	Uxbell		[redacted] - Arthur getting complaints from school - will get someone to go message to Dave Gar. near Pat. ca	
1250			end of sit rep.	

time	from	to		Notes
		Supt Tiger Line:		
1301	E/C		request from Surete du Quebec to put hard hats on.	
	E/C		@ this point no for helmets. conducted most heated part of this is soft tact - there is all passive behavior - no one aggressive or ~~assault~~ assaultive behavior - they have helmets with them. by putting them on now would escalate situation as opposed to de-escalating the situation.	
1308	POL		all truckers left from Pickem/Sussex people left are not in them.	
1310	E/C	PLT	Communication we can use?	
1310	tact	E/C	one of the ~~Wannabego~~ wannabego left north on Sussex. all 4 transports between intersection and Wannabego looking @ leaving.	
1313	E/C	loadline	start thinking on how we can pivot on Hot/ teams and processing to make this process quicker we have POL members just standing there - Cold.
